HOW FAST?

TRADITIONAL INVOICING

28
days

On average, it takes up to 28 days
for a business to get paid

VS

HYFIN

1
day

84% of payment requests sent from
Hyfin are paid in one day

Hyfin Features

Payment Requests

Our signature text-to-pay and email-to-pay process that gets 84% of invoices paid in less than a day.

Smart Invoicing

Create invoices and schedule payment requests in one step to save time.

Payment Links

Create payment links and QR Codes to share online in a few clicks.

Recurring Payments

Setup a payment plan and automatically charge your customer on a set schedule and amount.

Virtual Terminal

Never miss an opportunity to collect a payment with our virtual terminal.

Hosted Payment Page

Collect payments 24 hours a day by letting customer pay you from your website.

Hyfin Benefits

Flexible

Pick the features that work best for your business. Payment requests, payment links or QR codes. Share them through text, email, social media, or on a website.

Get paid fast

Send payment requests, track in real time, and accept payments online. Save time with automatic payments and recurring payments.

Easy setup

Most businesses can be setup in less than a day. No coding or hardware needed and payment requests can be sent from any computer, tablet, or phone.

Save money

Use one of the automated cost saving programs within Hyfin and save up to 100% of your merchant credit card processing fees.

Innovative

We are always adding new features to help improve your business and contactless payment experience. With new releases throughout the year, we keep you ahead of the curve.

Secure & PCI Compliant

Payments are integrated with our processing partners, keeping card holder information secure while reducing your PCI scope.

Hyfin App

The Hyfin app is easy to use and has everything your business needs to get you paid fast.

The screenshot displays the Hyfin app interface. At the top left is the 'HYFIN' logo. On the right, it shows 'Robin Accounting' with a location pin icon. A search bar is located below the logo. The left sidebar contains 'FAVORITES' (Dashboard, Invoices, Payment Requests, Payment Links, Customers) and 'ALL PRODUCTS' (Orders, Subscriptions, Virtual Terminal, Payments, Items). The main area features a table with columns for STATUS, AMOUNT, CUSTOMER, and INV. A modal window titled 'New Payment Request' is open, showing a search for 'Jose Alvarez', checked options for phone number '913-555-9657' and email 'jalvarez@me.com', a '#' field with '9381549', a checked option for 'Annual Filing Fee', a '\$' field with '399.00', and an 'Attach File' option. A prominent orange 'REQUEST PAYMENT' button is at the bottom of the modal.
