

How to Update the Heartland Restaurant App

1. Go to the main iPad screen; the little red “1” is indicating there is an update available.

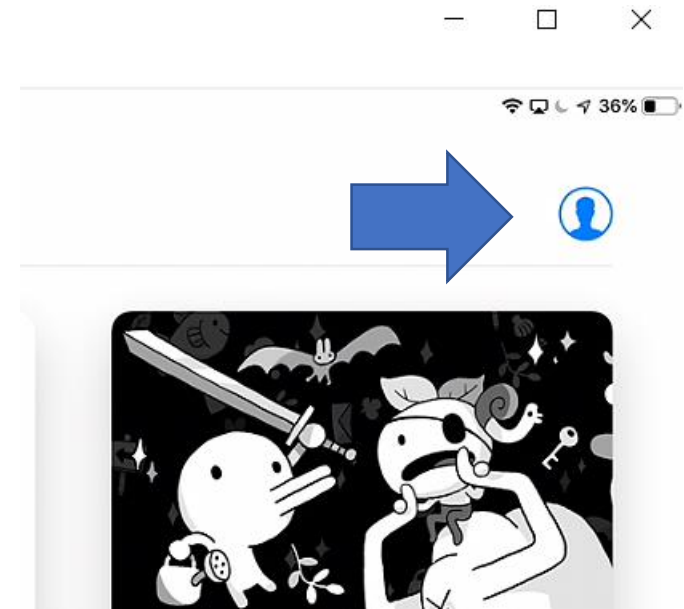

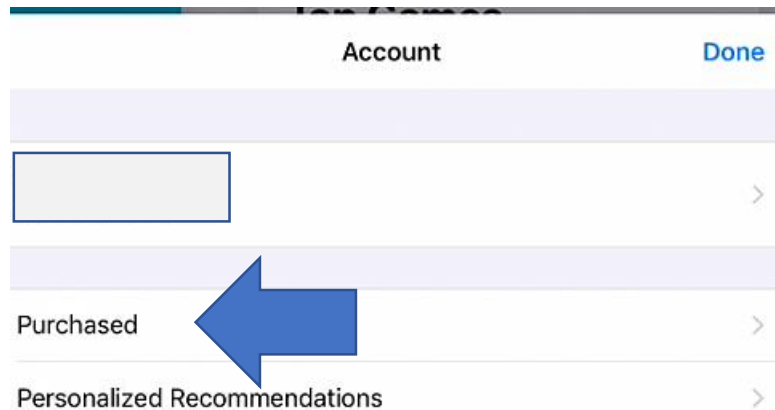

2. Go to the **App Store**

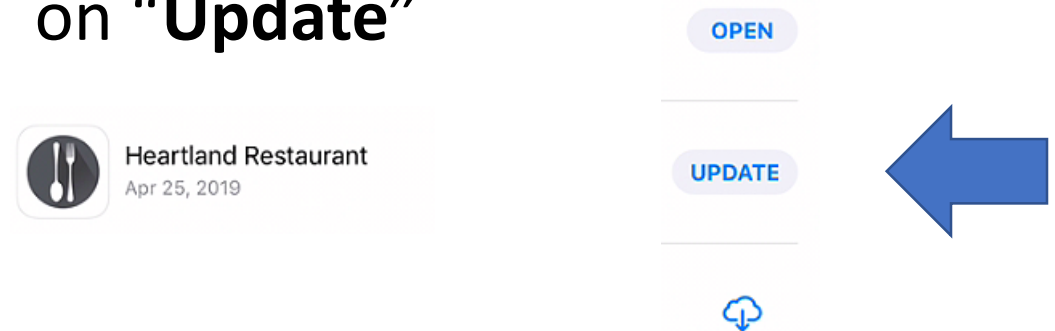

3. Tap on your profile icon

4. Tap on “Purchased”

5. Locate the **Heartland Restaurant App** icon & tap on “Update”

6. Exit the **App Store** and tap on the **Heartland Restaurant App** icon

7. Check the bottom right for HR App Version
